Northern Exposure Awarded 2010 Morgan Horse of the Year

Canadian-bred Northern Exposure was awarded the Morgan Horse of the Year at the 2011 Equine Canada Annual Convention. The award was presented by Breed Sport Canada.

Northern Exposure has been shown extremely successfully over the past 10 years in many divisions with his amateur owner, trainer and rider, Kathy Padgham. Together they have won numerous championships and titles, including Reserve World Champion Western Pleasure Youth, Reserve World Champion 4th Level Dressage and Reserve World Champion 2nd Level Dressage. He was also Grand National Champion in both Western and English Trail.

Northern Exposure is a 19 year-old Morgan gelding, born May 24, 1992. He was sired by Southerly Conowingo, out of DVF Remember Me, and bred by Kelly McDonald of Alberta.

Breed Sport Canada is a committee of Equine Canada responsible for the development and promotion of breed sport in Canada. The Committee consists of representatives from each member National Breed Association. To find out more about Breed Sport Canada, go to www.EquineCanada.ca and look for Breed Sport in the Discipline section.
